What is it (all about)? (objective description)		What do I know about the author?		
What is it like ? (subjective impression)		What do I know about time and place of production?		
Who is supposed to see/hear it (audience) ?		How would I title the artefact if I were the author ?		
		How would I caption the artefact?		
What is the audience supposed to get out of it ? (message)		What other similar artefacts of the same kind do I know ?		
What do I like about it ?		If I had to create an artefact about the same topic what would be different ?		
What do I dislike about it ?		What questions (to the author) do I have ?	See overleaf ./.	
How I would improve the artefact.				
		How would I render my impressions on the artifact by means of a graph ?
