Or:

What Makes an Artifact „Substantial“?

Originality:	It is your own creation.
Fieldwork:	It is the result of your work at the site.
Perspective:	It exudes a critical appreciation (e. g. from a European point of view).
Research:	It is based on solid facts.
Reflection:	It is prefaced or accompanied by helpful considerations as to the origin of the idea and the making of the artifact.
Accessibility:	It enthralls uninitiated viewers.
Media:	It provides media support where necessary (pictures, drawings, graphs, audio or video recordings).
Looks:	It has a smashing appearance.
